For the attention of the Quality Manager

Madam, Sir,

Please find attached the document acknowledging the validation skills of Intertek, Wuhan site for the function:

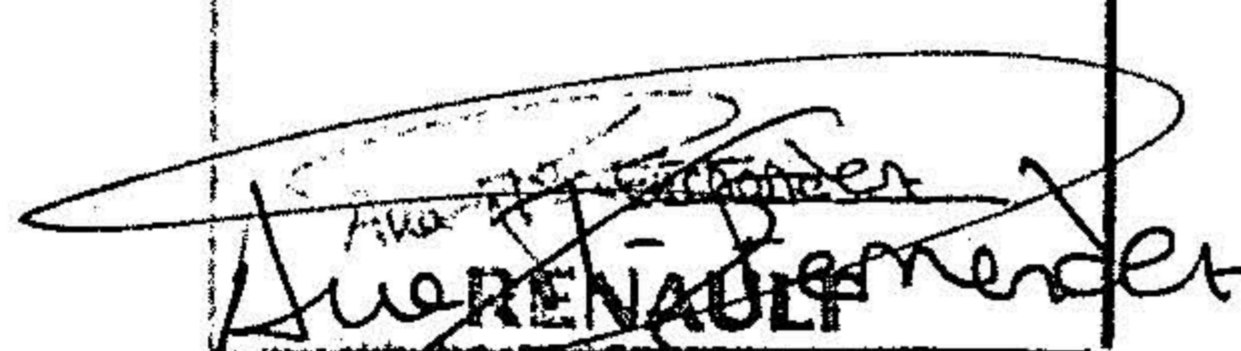

Testing provider laboratory

This notification of renewed recognition of competence is based on the conclusions of the round robin test vehicle interior air quality PSA/Renault realized in 2017.

In accordance with the "Competence Assessment Rule for a Supplier in Metrology, Testing or Calculation", reference RPIFMESUR20150008, recognition of your laboratory's competence is granted to you for a period of **one year and takes effect upon receipt of this document.**

At the end of this period, a renewal procedure must be initiated in order to extend this recognition.

Remaining at your disposal for any further information, please accept, Madam, Sir, the expression of my sincere greetings.
